b. Personal Data. In the event You provide to Cloud Storage Security Personal Data as defined by Regulation (EU) 2016/679 (General Data Protection Regulation), Cloud Storage Security's Data Processing Agreement (the "DPA"), available at <https://CloudStorageSecurity.com/data-processing-agreement> and incorporated herein by reference, will apply, and describes the parties' respective roles for the processing and control of Personal Data. If You have a monthly subscription with Cloud Storage Security through AWS Marketplace, You may terminate Your use of the Services by employing the termination methodology contained within the AWS Marketplace. If you have a separate, written agreement with Cloud Storage Security that specifies termination rights, You may terminate in accordance with the terms of that agreement. If You access Cloud Storage Security through a Cloud Storage Security Reseller, your Reseller will establish the terms and conditions, if any, upon which You may terminate Your use of the Services.

d. Effect of Termination. Upon termination of this Agreement, the license granted hereunder shall also terminate, and You shall cease using the Services and Documentation. Any Confidential Information returned to the Disclosing Party will be returned in a format mutually agreed to by the Parties. Notwithstanding anything in this Agreement to the contrary, the Disclosing Party may retain any Confidential Information required for it to comply with its legal or regulatory obligations, which Confidential Information will remain subject to the terms of this Agreement until deleted.
