PREDICTIVEHR

Welcome to **PREDICTIVE**HR, your destination for innovative human capital consulting

Established in 2016 as an analytics leader, we evolved into a comprehensive Human Capital Management (HCM) consulting firm in 2018. With the 2022 acquisition of WFC Group, we fortified our commitment to cutting-edge solutions. At PredictiveHR, we empower businesses with robust consulting, a top-tier data integrity engine, and a leading analytics platform. As a trusted partner to over 500 clients, our data-driven insights optimize human capital strategies for sustained success. What sets us apart is our relentless pursuit of excellence and innovation, guiding organizations in unlocking their workforce's full potential. Join us in shaping the future of HR consulting, one data-driven decision at a time.
