

Walacor Subscription Agreement

BY EXECUTING THIS SUBSCRIPTION AGREEMENT, (THIS SUBSCRIPTION AGREEMENT, TOGETHER WITH ALL ORDERS, THE "AGREEMENT") IN WRITING, ON BEHALF OF THE ORDERING ACTIVITY INDICATED BY YOU AT THE TIME OF ACCEPTANCE, YOU ARE HEREBY AGREEING TO THIS SUBSCRIPTION AGREEMENT ON BEHALF OF THE ORDERING ACTIVITY. IN DOING SO, YOU REPRESENT THAT YOU HAVE THE AUTHORITY TO BIND THE ORDERING ACTIVITY TO THESE END USER TERMS AND CONDITIONS AND THE AGREEMENT. THE AGREEMENT IS BY AND BETWEEN THE ORDERING ACTIVITY UNDER GSA SCHEDULE CONTRACTS IDENTIFIED IN THE PURCHASE ORDER, STATEMENT OF WORK, OR SIMILAR DOCUMENT ("ORDERING ACTIVITY," "YOU," OR "CUSTOMER") AND THE GSA MULTIPLE AWARD SCHEDULE CONTRACTOR ACTING ON BEHALF OF WALACOR CORPORATION ("SUPPLIER" OR "WALACOR")

If you do not agree to the terms of this Agreement, or if you are not authorized to accept this Agreement on behalf of your organization or entity, do not download, install, access or use the Software. "Software" means the downloadable and/or online software products that are specified in the applicable Purchase Order, Statement of Work or Similar Document ("Order Form"), and subsequent updates thereto made generally available by Walacor under this Agreement.

1. Software License.

1.1. License Grant. Subject to payment of the applicable fees and compliance with the terms of this Agreement, Walacor grants to Customer a limited, non-exclusive, non-transferable, non-sublicensable right and license to access and use the Software for internal business purposes in accordance with the Documentation (as defined below) during the applicable License Term, only for the number of License Units (as defined below) as specifically authorized by the applicable Order Form. "License Term" means the duration of your subscription or license to the applicable Software beginning and ending on the start and end dates, respectively, specified in the applicable Order Form, which include the Initial Term (as defined in Section 5), and all Renewal Terms (as defined in Section 5), as applicable. "License Unit" means the measurement of Software use (e.g., nodes, aggregate daily volume of data indexed, number of search and/or compute units, number of monitored accounts, virtual CPUs, user seats, use cases, applications, storage capacity, etc.), as measured by Walacor in its sole discretion, and as set forth in the applicable Order Form. All Order Forms are hereby incorporated into, supplement, and form a part of this Agreement. "Order Form" means an ordering document or online order that sets forth the applicable Software or Services (as defined below), fees and payment terms and start and end dates (as applicable) and is entered into between Customer and Walacor, or Customer and an authorized reseller. Certain Software may be accessed and delivered electronically and is deemed delivered when it is made available for access or download by Customer, as applicable.

1.2. Restrictions on Use. Except as otherwise expressly provided in this Agreement, Customer shall not (and shall not permit any third party to): (a) sublicense, sell, resell, transfer, assign, distribute, share, lease, rent, make any external commercial use of, outsource, use on a timeshare or service bureau basis, or use in an application service provider or managed service provider environment, or otherwise generate income from the Software; (b) copy the Software onto any public or distributed network, except for an internal and secure cloud computing environment; (c) cause or permit the decompiling, disassembly, or reverse engineering of any portion of the Software, or attempt to discover any source code or underlying algorithms or other operational mechanisms of the Software (except where such restriction is expressly prohibited by law without the possibility of waiver, and then only upon prior written notice to Walacor); (d) modify, adapt, translate or create derivative works based on all or any part of the Software; (e) use any Third Party Software (as defined below) provided with the Software other than with the Software; (f) modify any proprietary rights notices that appear in the Software or components thereof; (g) publish the results of any benchmarking tests run on any Third Party Software; (h) use the Software in violation of any applicable laws or regulations (including any export laws, restrictions, national security controls and regulations) or outside of the license scope set forth in Section 1.1 (License Grant); (i) use the Software in support of any nuclear proliferation, chemical weapon, biological weapon or missile proliferation activity; (j) configure the Software to collect or transmit any (1) social security numbers or other government- issued identification numbers, (2) health information, biometric data, genetic data, consumer or third party personal data, or payment/financial information, (3) any data relating to a person under the age of thirteen (13) years old, or (4) any other data that is subject to regulatory or contractual handling requirements (e.g., PCI, HIPAA, or state and federal data security laws) (collectively, "Prohibited Data"); (k) use the Software to (1) store, download or transmit infringing, libelous, or otherwise unlawful or tortious material, or malicious code or malware, or (2) engage in phishing, spamming, denial-of-service attacks or other fraudulent or criminal activity, (3) interfere with or disrupt the integrity or performance of third party systems, or the Software or data contained therein, or (4) attempt to gain unauthorized access to the Software or Walacor's systems or networks, or (5) perform, or engage any third party to perform, authenticated or unauthenticated penetration testing, vulnerability assessments or other security assessments on the SaaS deployment of the

Software; (l) create a Walacor customer account, access or use the Software in order to (1) monitor the Software's availability, performance, or functionality for competitive purposes, (2) copy ideas, features, functions, or graphics, (3) develop competing products or services, or (4) perform any other form of competitive analysis, as determined by Walacor in its sole discretion; or (m) disclose or, except as reasonably necessary to use the Software, use any non-public information regarding Walacor or the Software. Additionally, Customer shall not export or re-export, directly or indirectly, any Software or technical data or any copy, portions or direct product thereof (i) in violation of any applicable laws and regulations, (ii) to any country for which the United States or any other government, or any agency thereof, at the time of export requires an export license or other governmental approval, including Cuba, Libya, North Korea, Iran, Iraq, or Rwanda or any other Group D:1 or E:2 country (or to a national or resident thereof) specified in the then current Supplement No. 1 to part 740 of the U.S. Export Administration Regulations (or any successor supplement or regulations, without first obtaining such license or approval) or (ii) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Commerce Department's Table of Denial Orders. Customer shall, at its own expense, obtain all necessary customs, import, or other governmental authorizations and approvals.

1.3. Free Trial. If the Software is provided to Customer on a limited trial or beta basis for evaluation purposes ("Free Trial"), Customer agrees that such use and access of the Software is governed by this Agreement. Walacor shall have the right to downgrade, limit or otherwise modify the Software provided for a Free Trial at any time without notice to Customer, and Walacor shall have no warranty, indemnity, maintenance or support obligations to Customer with respect to any such Free Trial. Customer may only use the number and type of License Units for the specified duration indicated by Walacor prior to Customer downloading or accessing the Software with respect to any such Free Trial. Walacor may immediately revoke and terminate any Free Trial at any time and without any notice to Customer. Customer agrees to provide feedback related to the Software as reasonably requested by Walacor with respect to any Free Trial. Customer agrees that a Free Trial is not a guarantee of future Software or Walacor product features, and will not be relied upon by Customer in making any purchasing decisions.

1.4. Unauthorized Use. Customer shall notify Walacor promptly of any unauthorized use or access of the Software (including unauthorized users or unauthorized disclosure of any password or account), or any other known or suspected breach of security or misuse of the Software. Customer is responsible for use of the Software (and all other acts or omissions) by its employees, contractors, affiliates or other users that it allows to use or access the Software.

1.5. Support. During the License Term, Walacor shall provide support to Customer in accordance with Walacor's then-current support policy, and as identified in an Order Form. In the event that the level of support is not identified in the Order Form, Customer shall receive a "basic" level of support that is included with the Software at no additional cost, which consists of access to Walacor's customer support forum. For any support tier above basic support, the applicable support fees will be a percentage of all of Customer's Software-based fees, and will be prorated for mid-year expansions based on the remaining months in the then current Initial Term or Renewal Term. Further, Customer agrees to facilitate any connections and access necessary for Walacor to (i) deliver, deploy and provide the Software as provided hereunder and (ii) to perform its obligations hereunder (including any support obligations). Notwithstanding anything to the contrary in this Agreement, Walacor has no warranty, indemnity or other obligation or liability with respect to modifications made to the Software or Documentation (as defined below) by Customer or on Customer's behalf other than the generally available updates provided by Walacor.

1.6. Purchasing Through Authorized Resellers. If you purchase a subscription to the Software or any Services through a Walacor authorized reseller, this Agreement and any agreed upon usage limitations will govern the use of such Software and Services unless otherwise agreed by Walacor and Customer. You also agree that Walacor is an express third party beneficiary of your agreement with any authorized reseller. Your payment obligations for the Software and Services will be with the authorized reseller, not Walacor, and you will have no direct fee payment obligations to Walacor. Any terms agreed to between you and the authorized reseller that are in addition to or inconsistent with this Agreement are solely between you and the authorized reseller. No agreement between you and an authorized reseller is binding on Walacor, nor will it have any force or effect with respect to the rights in, or the operation, use or provision of, the Software or Services.

1.7. Contractors and Third Party Providers. You may permit your authorized consultants, contractors, and agents ("Third Party Providers") to access and use the Software, but only on your behalf in connection with providing the Software to you, and subject to the terms and conditions of this Agreement. Any access or use by a Third Party Provider will be subject to the same limitations and restrictions that apply to you under this Agreement, and you will be responsible for any Third Party Provider's actions or omissions relating to its use of the Software. The aggregate use by you and all of your Third Party Providers must not exceed the allotted License Units (without paying the overage fees set forth in Section 2.1), and nothing in this Section is intended to or will be deemed to increase such License Units.

1.8. Services. Walacor will use commercially reasonable efforts to provide the Services as described in an applicable Order Form (or statement of work referencing this Agreement entered into between the parties (“**SOW**”)), if any. Walacor will retain all right, title and interest in and to the deliverables and other results of the Services under this Agreement, and, subject to payment of the applicable fees and compliance with the terms of this Agreement, Walacor hereby grants to Customer a limited, non-exclusive, non-transferable, non-sublicensable right and license to use such deliverables and results solely for Customer’s internal business purposes and only in connection with Customer’s permitted use of the Software. The Services (and any deliverables or other results) are not subject to any acceptance procedure. All Services will be provided, subject to the agreed-upon fees set forth in the applicable Order Form or SOW. Walacor will not charge in excess of the total time purchased without prior written approval from Customer. If the Services purchased have been consumed, fully used or otherwise exhausted, Walacor will cease providing Services until additional Services have been purchased by Customer. If Customer elects not to purchase additional Services, then the Services will be deemed complete. Pre-purchased Services and expenses expire twelve (12) months after the date purchased (unless otherwise set forth in the applicable Order Form or SOW). Customer agrees to pay any travel expenses in accordance with Federal Travel Regulation (FTR)/Joint Travel Regulations (JTR), as applicable, Ordering Activity shall only be liable for such travel expenses as approved by Ordering Activity and funded under the applicable ordering document. Services will be performed on Monday through Friday, excluding national holidays, from 9am to 5pm, in the location where the Services are delivered. If Customer cancels or delays any scheduled Services less than ten (10) business days before the start date of such Services, then Customer will pay for, as applicable any reasonable travel and expenses incurred by Walacor for such Services (and for any Services rescheduled by Customer) for which Walacor is unable to obtain a refund. During the License Term under the applicable Order Form or for the term of the applicable SOW, as applicable, and for a period of twelve (12) months thereafter, Customer will not solicit for employment or consulting work any Walacor employees who participated in or performed the Services under such Order Form or SOW, unless Walacor’s prior written consent has been obtained. “Services” mean any training, enablement, consulting, installation and/or other professional services described in the applicable Order Form or SOW.

2. Fees.

2.1. Pricing. You agree to pay all fees specified in the Order Form and/or SOW, or as otherwise agreed upon by the parties. Fees do not include any customizations of the Software (nor support for any such customizations, unless otherwise agreed in writing). If Customer’s use of the Software exceeds the number of License Units set forth in the Order Form, both parties will work together to either prevent such overages in the future or will execute a new agreement in writing that encompasses the higher use amount. If Walacor believes in good faith that Customer’s use of the Software exceeds the number of License Units set forth on the Order Form, Walacor may (i) audit Customer’s use of the Software (not more frequently than once per calendar year), upon at least twenty-four (24) hours’ notice, and (ii) require that Customer provide Walacor with all relevant records within five (5) business days of such request in order to determine if Customer’s use of the Software exceeds the number of authorized License Units, subject to Government security requirements. Customer acknowledges that purchases made under this Agreement are neither contingent on the delivery of any future functionality or features of the Software nor dependent on any oral or written public comments made by Walacor regarding future functionality or features of the Software.

Supplier, at its option, may assess finance fees in accordance with the Prompt Payment Act (31 USC 3901 et seq) and Treasury regulations at 5 CFR 1315. The remedies in this Section are cumulative and in addition to all other rights and remedies available to Supplier under this Agreement, by operation of law or otherwise.

2.2. Reserved.

2.3. Taxes. Supplier shall state separately on invoices taxes excluded from the fees, and Customer agrees either to pay the amount of the taxes (based on the current value of the equipment) or provide evidence necessary to sustain an exemption, in accordance with FAR 52.229-1 and FAR 52.229-3.

3. Confidentiality

3.1. Confidential Information and Restrictions. “Confidential Information” means all information disclosed by a party (“Disclosing Party”) to the other party (“Receiving Party”), whether orally or in writing, that is designated as “confidential” or “proprietary,” or that, given the nature of the information or circumstances surrounding its disclosure,

should reasonably be understood to be confidential. “Confidential Information” does not include any information that: (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (iii) is received from a third party without breach of any obligation owed to the Disclosing Party, or (iv) was independently developed by the Receiving Party. When the end user is the Federal Government, neither this Agreement nor the pricing terms are confidential information notwithstanding any such markings.

The Receiving Party will: (i) not use the Disclosing Party’s Confidential Information for any purpose outside of this Agreement; (ii) not disclose such Confidential Information to any person or entity, other than its affiliates, employees, consultants, agents and professional advisers (“Representatives”) who have a “need to know” for the Receiving Party to exercise its rights or perform its obligations hereunder, provided that such employees, consultants, and agents are bound by agreements or, in the case of professional advisers, ethical duties respecting such Confidential Information in accordance with the terms of this Section 3; and (iii) use reasonable measures to protect the confidentiality of such Confidential Information. The Receiving Party shall be liable for any breach of this section by its Representatives. If the Receiving Party is required by applicable law or court order to make any disclosure of such Confidential Information, it will first give written notice of such requirement to the Disclosing Party, and, to the extent within its control, permit the Disclosing Party to intervene in any relevant proceedings to protect its interests in its Confidential Information, and provide full cooperation to the Disclosing Party in seeking to obtain such protection. Further, this Section 3 will not apply to information that the Receiving Party can document: (i) was rightfully in its possession or known to it prior to receipt without any restriction on its disclosure; (ii) is or has become public knowledge or publicly available through no fault of the Receiving Party; (iii) is rightfully obtained by the Receiving Party from a third party without breach of any confidentiality obligation; or (iv) is independently developed by employees of the Receiving Party who had no access to such information. Supplier recognizes that Federal agencies are subject to the Freedom of Information Act, 5 U.S.C. 552, which may require that certain information be released, despite being characterized as “confidential” by the supplier.

3.2. Reserved.

3.3. Feedback. Customer acknowledges and agrees that (a) any questions, comments, suggestions, ideas, feedback or other information about Walacor, the Software, the Services, the Documentation or other materials provided by Walacor (collectively, “Feedback”) provided by Customer are non-confidential, (b) Walacor will have full discretion to determine whether or not to proceed with the development of any requested enhancements, new features or functionality, and (c) Walacor will have the full, unencumbered right, without any obligation to compensate or reimburse Customer, to use, incorporate and otherwise fully exercise and exploit any such Feedback in connection with its products and services.

4. Proprietary Rights. Walacor owns and shall retain all proprietary rights, including all copyright, patent, trade secret, trademark and all other intellectual property rights, in and to the Software (and all derivatives, improvements or enhancements thereof), the Services, the Documentation, and any materials generated by Walacor. Customer acknowledges that the rights granted under this Agreement do not provide Customer with title to or ownership of the Software, in whole or in part. Certain “free” or “open source” based software (the “FOSS Software”) and third party software included with the Software (the “Third Party Software”) is shipped with the Software but is not considered part of the Software hereunder. Use, reproduction, and distribution of FOSS Software is governed by the terms of the applicable open source software license and not this Agreement. Walacor will provide Customer with a list of the FOSS Software and Third Party Software embedded in the Software upon request. With respect to Third Party Software included with the Software, such Third Party Software suppliers are third party beneficiaries of this Agreement. The Software and Third Party Software may only be used and accessed by Customer as prescribed by the instructions, code samples, on-line help files and technical documentation made publicly available by Walacor for the Software, as may be updated from time to time by Walacor (the “Documentation”). Walacor will not be responsible for any act or omission of any third party, including the third party’s access to or use of any Customer data or the performance of the Software in combination with such Third Party Software.

5. Term and Termination. This Agreement will be in full force and effect beginning on the date set forth in the Purchase Order, Statement of Work, or similar document (the “Effective Date”), and will remain in effect until this Agreement is terminated pursuant to this Section. Termination of a specific Order Form will not affect the effectiveness of this Agreement or any other Order Form. Unless indicated otherwise in an Order Form, each Order Form shall be valid from the earliest start date therein through the initial end date therein (the “Initial Term”). The parties may mutually agree in writing to renew an Order Form (each a “Renewal Term”). The Initial Term plus any Renewal Terms shall be known as the “License Term.” Additionally, Walacor may temporarily suspend access to the Software if Customer’s use poses a security risk or adversely impacts Walacor’s business. Upon expiration or termination of an Order Form, for any

reason, all rights granted to Customer with respect to such Order Form shall terminate and Customer shall destroy any copies of the Software and Documentation provided under such Order Form within Customer's possession and control. Upon any termination of this Agreement, each Receiving Party will return or destroy, at the Disclosing Party's option, the Disclosing Party's Confidential Information in the Receiving Party's possession or control. All payment obligations that have accrued as of such expiration or termination, any other rights or obligations that by their nature should survive, and Sections 1.2, 1.3, 1.4, 1.6, 2, 3, 4, 5, 6.2 and 7 through 12, will survive any expiration or termination hereof.

6. Warranties.

6.1. Software Warranty. Walacor warrants that during the first sixty (60) days after the beginning of a License Term under the applicable Order Form, the Software will, in all material respects, conform to the functionality described in the then-current Documentation for the applicable version of the Software. Walacor's sole and exclusive obligation, and Customer's sole and exclusive remedy, for a breach of this warranty shall be that Walacor will use commercially reasonable efforts to repair or replace the Software to conform in all material respects to the Documentation, and if Walacor is unable to materially restore such functionality within thirty (30) days from the date of written notice of breach of this warranty by Customer, Customer shall be entitled to terminate the applicable Order Form upon written notice to Walacor, and Walacor shall provide a pro-rata refund of the subscription fees under such Order Form that have been paid in advance for the remainder of the License Term under such Order Form (beginning on the date of termination). To be eligible for the foregoing remedy, Customer must notify Walacor in writing of any warranty breaches within such warranty period, and Customer must have installed (if applicable), used and configured the Software in accordance with this Agreement and the Documentation.

6.2. Disclaimer. EXCEPT AS EXPRESSLY PROVIDED IN THIS SECTION 6, ALL SOFTWARE, DOCUMENTATION, SERVICES, MAINTENANCE AND SUPPORT ARE PROVIDED "AS IS," AND WALACOR AND ITS SUPPLIERS EXPRESSLY DISCLAIM ANY AND ALL OTHER REPRESENTATIONS AND WARRANTIES, EITHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE WITH RESPECT THERETO, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, OR THE CONTINUOUS, UNINTERRUPTED, ERROR-FREE, VIRUS-FREE, OR SECURE ACCESS TO OR OPERATION OF THE SOFTWARE. WALACOR EXPRESSLY DISCLAIMS ANY WARRANTY AS TO THE ACCURACY OR COMPLETENESS OF ANY INFORMATION OR DATA ACCESSED OR USED IN CONNECTION WITH THE SOFTWARE, DOCUMENTATION, SERVICES, MAINTENANCE OR SUPPORT.

Additionally, Walacor is not responsible for any delays, delivery failures, or any other loss or damage resulting from the transfer of data over communications networks and facilities, including the Internet, and Customer acknowledges that the Software, Services and Documentation may be subject to limitations, delays and other problems inherent in the use of such communications facilities. The Software is not fault-tolerant and is not designed or intended for use in hazardous environments, including without limitation, in the operation of aircraft or other modes of human mass transportation, nuclear or chemical facilities, life support systems, implantable medical equipment, motor vehicles or weaponry systems, or any other application in which failure of the Software could lead to death or serious bodily injury of a person, or to severe physical or environmental damage (each, a "High Risk Use"). Walacor expressly disclaims any express or implied warranty or representation of fitness for High Risk Use. Walacor shall not be liable to Customer for any loss, damage or harm suffered by Customer that is directly or indirectly caused by Customer's unauthorized use of the Software to process Prohibited Data.

THIS AGREEMENT DOES NOT LIMIT OR DISCLAIM ANY OF THE WARRANTIES SPECIFIED IN THE GSA MULTIPLE AWARD SCHEDULE (MAS) CONTRACT UNDER FAR 52.212-4(O). IN THE EVENT OF A BREACH OF WARRANTY, THE U.S. GOVERNMENT RESERVES ALL RIGHTS AND REMEDIES UNDER THE CONTRACT, THE FEDERAL ACQUISITION REGULATIONS, AND THE CONTRACT DISPUTES ACT, 41 U.S.C. 7101-7109.

6.3. Mutual Warranty. Each party hereby represents and warrants to the other that: (a) such party has the right, power, and authority to enter into this Agreement and to fully perform all of its obligations hereunder; and (b) entering into this Agreement does not and will not violate any agreement or obligation existing between such party and any third party.

6.4. Beta Software. From time to time, Customer may have the option to participate in a program with Walacor where Customer is given access to alpha or beta software, services, products, features and documentation (collectively, "Beta Software") offered by Walacor. The Beta Software is not generally available and may contain bugs, errors, defects or harmful components. Accordingly, Walacor is providing the Beta Software to Customer "as is." Notwithstanding anything to the contrary in this Agreement, Walacor makes no warranties of any kind with respect to the Beta Software, whether express, implied, statutory or otherwise, including any implied warranties of merchantability, fitness for a particular purpose, or non-infringement, and has no indemnity or other obligation or liability with respect to Beta Software. Walacor does not warrant that the Beta Software will meet any specified service level, or will operate without interruptions

or downtime.

7. Indemnification.

7.1. By Walacor. Walacor agrees to defend, at its expense, Customer against (or, in Walacor's sole discretion, settle) any third party claim to the extent such claim alleges that the Software infringes or misappropriates any patent, copyright, trademark or trade secret of a third party, and Walacor shall pay all costs and damages finally awarded against Customer by a court of competent jurisdiction as a result of any such claim.

In the event that the use of the Software is, or in Walacor's sole opinion is likely to become, subject to such a claim, Walacor, at its option and expense, may (a) replace the applicable Software with functionally equivalent non-infringing technology, (b) obtain a license for Customer's continued use of the applicable Software, or (c) terminate the applicable Order Form and provide a pro-rata refund of the subscription fees under such Order Form that have been paid in advance for the remainder of the License Term under such Order Form (beginning on the date of termination).

The foregoing indemnification obligation of Walacor will not apply: (1) if the Software is or has been modified by Customer or its agent; (2) if the Software is combined with other non-Walacor products, applications, or processes, but solely to the extent the alleged infringement is caused by such combination; (3) to any unauthorized use of the Software or breach of this Agreement; or (4) if Customer fails to install or use any functionally equivalent non-infringing Software that would have avoided the alleged infringement. The foregoing shall be Customer's sole remedy with respect to any claim of infringement of third party intellectual property rights.

Nothing contained herein shall be construed in derogation of the U.S. Department of Justice's right to defend any claim or action brought against the U.S., pursuant to its jurisdictional statute 28 U.S.C. §516.

7.2. Reserved.

7.3. Indemnification Requirements. In connection with any claim for indemnification under this Section 7, the indemnified party must promptly provide the indemnifying party with notice of any claim that the indemnified party believes is within the scope of the obligation to indemnify, provided, however, that the failure to provide such notice shall not relieve the indemnifying party of its obligations under this Section 7, except to the extent that such failure materially prejudices the indemnifying party's defense of such claim. The indemnified party may, at its own expense, assist in the defense if it so chooses, but the indemnifying party shall control the defense and all negotiations related to the settlement of any such claim. Any such settlement intended to bind either party shall not be final without the other party's written consent, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that Customer's consent shall not be required when Walacor is the indemnifying party if the settlement involves only the payment of money by Walacor.

8. Limitation of Liability. THE FOLLOWING LIMITATION OF LIABILITY SHALL NOT APPLY TO (1) PERSONAL INJURY OR DEATH RESULTING FROM SUPPLIER'S NEGLIGENCE; (2) FOR FRAUD; OR (3) FOR ANY OTHER MATTER FOR WHICH LIABILITY CANNOT BE EXCLUDED BY LAW. EXCEPT FOR LIABILITY ARISING FROM VIOLATIONS OF SECTION 1.2 (RESTRICTIONS ON USE), UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY, WHETHER IN TORT, CONTRACT, OR OTHERWISE, WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY UNDER THIS AGREEMENT FOR ANY (A) INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES OF ANY CHARACTER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF GOODWILL, LOST PROFITS, LOST SALES OR BUSINESS, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, LOST DATA, OR FOR ANY AND ALL OTHER INDIRECT DAMAGES OR LOSSES, EVEN IF SUCH PARTY HAS BEEN ADVISED, KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES, OR (B) EXCLUDING PAYMENT OBLIGATIONS, DIRECT DAMAGES, COSTS, OR LIABILITIES IN EXCESS OF THE AMOUNTS PAID BY CUSTOMER DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE INCIDENT OR CLAIM UNDER THE APPLICABLE ORDER FORM OR SOW. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY. NO RIGHT OF ACTION OR OTHER ENTITLEMENTS ARISING FROM THIS AGREEMENT MAY BE BROUGHT BY CUSTOMER MORE THAN ONE (1) YEAR AFTER THE DATE ON WHICH CUSTOMER HAS BECOME AWARE OF OR COULD HAVE BECOME AWARE OF SUCH RIGHT AND ENTITLEMENT.

THIS AGREEMENT SHALL NOT IMPAIR THE U.S. GOVERNMENT'S RIGHT TO RECOVER FOR FRAUD OR CRIMES ARISING OUT OF OR RELATED TO THIS CONTRACT UNDER ANY FEDERAL FRAUD STATUTE, INCLUDING THE FALSE CLAIMS ACT, 31 U.S.C. 3729-3733. FURTHERMORE, THIS CLAUSE SHALL NOT

IMPAIR NOR PREJUDICE THE U.S. GOVERNMENT'S RIGHT TO EXPRESS REMEDIES PROVIDED IN THE GSA SCHEDULE CONTRACT (E.G., CLAUSE 552.238-75 – PRICE REDUCTIONS, CLAUSE 52.212-4(H) – PATENT INDEMNIFICATION, AND GSAR 552.215-72 – PRICE ADJUSTMENT – FAILURE TO PROVIDE ACCURATE INFORMATION).

9. Force Majeure. Excusable delays shall be governed by FAR 52.212-4(f).

10. Data Collection. Customer understands, acknowledges and agrees that Walacor's Software stores, in encrypted form, sensitive data components involved in Customer's own software delivery processes (including passwords, keys, and credentials). In addition, Walacor captures logs, performance monitoring data, and test results to verify the success or failure of deployments of the Software, and collects data and metrics on Customer's activities, such as how and which features of the Software Customer uses. If Customer provides Walacor with any personally identifiable information ("Personal Data"), Customer represents and warrants that such information has been collected by Customer in accordance with the provisions of all applicable data protection laws and regulations, and that Customer has all right and consents necessary to provide such Personal Data to Walacor. Notwithstanding anything herein to the contrary, Walacor shall have the right collect and analyze data and other information relating to the provision, use and performance of various aspects of the Software and related systems and technologies (including, without limitation, information concerning Customer and data derived therefrom), and Walacor will be free (during and after the term hereof) to (i) use such information and data to improve and enhance the Software and for other development, diagnostic and corrective purposes in connection with the Software and other Walacor offerings, and (ii) disclose such data solely in aggregate or other de-identified form in connection with its business. Walacor will employ physical and electronic safeguards for all data in its possession and control according to industry standards.

11. US Government Matters. As defined in FAR section 2.101, the Software and Documentation are "commercial items" and according to DFAR section 252.227 7014(a)(1) and (5) are deemed to be "commercial computer software" and "commercial computer software documentation." Consistent with DFAR section 227.7202 and FAR section 12.212, any use modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

12. Miscellaneous. This Agreement shall be governed by and construed under the Federal laws of the United States, excluding the U.N. Convention on Contracts for the International Sale of Goods, even where adopted as a part of the domestic law of the country whose law governs this Agreement. Failure by either party to exercise any of its rights under, or to enforce any provision of, this Agreement will not be deemed a waiver or forfeiture of such rights or ability to enforce such provision. If any provision of this Agreement is held by a court of competent jurisdiction to be illegal, invalid or unenforceable, such provision will be amended to achieve as nearly as possible the same economic effect of the original provision and the remainder of this Agreement will remain in full force and effect. This Agreement (including each Order Form and SOW) along with the GSA Schedule Contract and GSA Fee Schedule represent the entire agreement between the parties and supersede any previous or contemporaneous oral or written agreements or communications regarding the subject matter of this Agreement. The person signing or otherwise accepting this Agreement for Customer represents that s/he is duly authorized by all necessary and appropriate corporate action to enter this Agreement on behalf of Customer. Neither the Uniform Computer Information Transactions Act (UCITA) nor the United Nations Convention for the International Sale of Goods will apply to this Agreement. Waivers and amendments to this Agreement shall be effective only if made by non-pre-printed agreements clearly understood by both parties to be an amendment or waiver to this Agreement and signed by both parties. All capitalized terms used but not defined in an Order Form or SOW shall have the meanings provided to them in the Agreement. For purposes of this Agreement, "including" means "including without limitation." The rights and remedies of the parties hereunder will be deemed cumulative and not exclusive of any other right or remedy conferred by this Agreement or by law or equity. No joint venture, partnership, employment, or agency relationship exists between the parties as a result of this Agreement or use of the Software. Walacor reserves the right to perform its obligations from locations and/or through use of affiliates, contractors and subcontractors, worldwide, provided that Walacor will be responsible for such parties. Customer may not assign this Agreement without the prior written consent of Walacor, and any purported assignment in violation of this Section 12 shall be void.
