

JUST APPRAISED

SAAS SERVICES AGREEMENT

This SaaS Services Agreement (“Agreement”) is entered into effective as of **DATE** (the “Effective Date”) between Just Appraised Inc., with a place of business at 2261 Market Street #4074, San Francisco, CA 94114 (“Company”), and the undersigned Customer (“Customer”).

BACKGROUND

- A. Company provides one or more software-as-a-service applications designed to facilitate document processing (collectively, the “Platform”).
- B. Company also provides support and maintenance services related to its platform, and may offer consulting, implementation and other professional services.
- C. Customer wishes to utilize the Platform and related services as provided herein.

NOW, THEREFORE, in consideration of the mutual promises contained herein and for other good and valuable consideration, the Parties hereto agree as follows:

1. PLATFORM ACCESS

1.1 Subject to the terms and conditions of this Agreement, Company hereby grants Customer and its Users a non-exclusive, non-transferable (except for permitted assignments under Section 9) right, during the Term (as defined below), to access and use the Platform solely for Customer’s internal business purposes in accordance with the applicable Order Form. As used herein, “User” means an employee, representative, consultant, contractor or agent of Customer who is authorized to use the Platform and has been supplied a user identification and password by Customer (or by Company at Customer’s request).

1.2 As used herein, “Order Form” means a quote, order form in substantially the form attached as Exhibit A, or other ordering document detailing the Customer’s access to the Platform and any associated fees therefore and any transaction-specific terms and conditions. Upon mutual execution (or, in the case of quotes, confirmation and placement of the order by Customer), Order Form(s) will be governed by the terms and conditions hereof and are deemed incorporated herein by this reference. If the parties agree, an Order Form may be used in connection with, or in lieu of, an SOW (as defined below).

1.3 As part of the registration process, Customer will identify an administrative user name and password for Customer’s Company account. Company reserves the right to refuse registration of, or cancel passwords it deems inappropriate. Customer may only allow that number of Users as is specified in the applicable Order Forms(s) to use the Platform at any one time. Customer acknowledges that Company may include in its Platform functionality to track the number of active Users and to disallow use by more than the authorized number of Users. Customer is

responsible for all activities that occur under Customer’s User accounts. Customer shall use commercially reasonable efforts to prevent unauthorized access to, or use of, the Platform, and shall promptly notify Company of any known unauthorized use. Customer will ensure that (a) all Users given access to the Platform have the right to access the information and Customer Data made accessible to them by Customer through the Platform and (b) any User granting Company access to any Customer Data has the right and authority to grant such access.

2. SUPPORT AND PROFESSIONAL SERVICES

2.1 Subject to the terms hereof, Company will provide Customer with reasonable technical support services in accordance with the Company’s standard practice.

2.2 In connection with Customer’s use of the Platform, Company and Customer may agree in an Order Form and/or a separate mutually executed Statement of Work (an “SOW”) upon training, implementation, consulting or other professional services to be performed by Company (collectively the “Professional Services”). Customer agrees to provide Company with any required Customer materials needed for Company to perform the Professional Services, and hereby grants Company a royalty-free, non-exclusive, worldwide license to use such materials for the sole purpose of enabling Company to perform the Professional Services. Company will use commercially reasonable efforts to meet any schedules set forth in an SOW or Order Form, and Customer agrees to cooperate in good faith to allow Company to achieve completion of such Professional Services in a timely and professional manner. If achievement of any particular milestone is dependent upon performance of tasks by Customer or by a third party outside of Company’s control, any projected dates for

accomplishing such milestones will be approximately adjusted to reflect any changes in such tasks. Company retains all right, title and interest in and to (i) anything it uses or develops in connection with performing Professional Services for Customer, including, among other things, software, tools, specifications, ideas, concepts, inventions, processes, techniques, and know-how and (ii) anything it delivers to Customer during the course of performing Professional Services (collectively, “Deliverables”) ((i) and (ii) being collectively referred to herein as the “Professional Services IP”), unless otherwise specified in the applicable Order Form or SOW. Company hereby grants to Customer and its Users, a non-exclusive, non-transferable (except for permitted assignments under Section 9), worldwide, royalty-free, limited-term license to use the Deliverables during the Term solely in conjunction with Customer’s use of the Platform. Customer may not copy, modify, or otherwise create derivative works of any Deliverables without Company’s prior written consent in each case.

3. RESTRICTIONS AND RESPONSIBILITIES

3.1 Customer and its Users will not, directly or indirectly, (i) reverse engineer, decompile, disassemble or otherwise attempt to discover the source code, object code or underlying structure, ideas, know-how or algorithms relevant to the Platform or any software, documentation or data related to the Platform (“Software”); (ii) modify, copy, translate, or create derivative works based on the Platform or any Software (except to the extent expressly permitted by Company or authorized within the Platform); (iii) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make the Platform available to any third party, except for Users; (iv) use the Platform to send spam or unsolicited messages, collect data regarding others without their consent, transmit unlawful, immoral, libelous, tortuous, infringing, defamatory, threatening, vulgar or obscene material or material harmful to minors, transmit viruses or other harmful computer code; (v) attempt to interfere with or disrupt the performance of the Platform or the data contained therein; (vi) attempt to gain unauthorized access to the Platform or networks related to the Platform; (vii) interfere with another’s use of the Platform; (viii) create “links” to or from the Platform, or “frame” or “mirror” any of Company’s content; (ix) use the Platform in any manner or for any purpose that is unlawful under applicable laws; (x) access the Platform to build a competitive service, reproduce features of the Platform, or resell the Platform; or (xi) remove any proprietary notices or labels from the Company IP (as defined below).

3.2 Further, Customer may not remove or export from the United States or allow the export or re-export of the Platform, Software or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in FAR section 2.101, the Software and documentation are “commercial items” and according to DFAR section 252.2277014(a)(1) and (5) are

deemed to be “commercial computer software” and “commercial computer software documentation.” Consistent with DFAR section 227.7202 and FAR section 12.212, any use modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement

3.3 Customer represents, covenants, and warrants that Customer will use the Platform only in compliance with Company’s standard published policies then in effect (the “Policy”) and all applicable laws and regulations. Customer hereby agrees to indemnify and hold harmless Company against any damages, losses, liabilities, settlements and expenses (including without limitation costs and attorneys’ fees) in connection with any claim or action that arises from an alleged violation of the foregoing or otherwise from Customer’s use of Platform. Although Company has no obligation to monitor Customer’s use of the Platform, Company may do so and may prohibit any use of the Platform it believes may be (or alleged to be) in violation of the foregoing.

3.4 Customer shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Platform, including, without limitation, modems, hardware, servers, software, operating systems, networking, web servers and the like (collectively, “Equipment”). Customer shall also be responsible for maintaining the security of the Equipment, Customer account, passwords (including but not limited to administrative and user passwords) and files, and for all uses of Customer account or the Equipment with or without Customer’s knowledge or consent.

4. CONFIDENTIALITY; PROPRIETARY RIGHTS

4.1 Each party (the “Receiving Party”) understands that the other party (the “Disclosing Party”) has disclosed or may disclose business, technical or financial information relating to the Disclosing Party’s business (hereinafter referred to as “Proprietary Information” of the Disclosing Party). The Receiving Party agrees: (i) to take reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Platform or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. The Disclosing Party agrees that the foregoing shall not apply with respect to any information after five (5) years following the disclosure thereof or any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party or (e) is required to be disclosed by law.

4.2 During the Term, Customer will provide, or otherwise make available, to Company the Customer Data. As used herein, “Customer Data” means all data and other information that is

provided to Company through Customer's use of the Platform or is otherwise made available to Company by Customer (or at the direction of Customer). Customer Data may be provided or made available to Company directly by Customer or indirectly by authorizing Customer's third-party vendors to provide such Customer Data to Company. Customer hereby grants to Company a non-exclusive, non-transferable, non-sublicensable, royalty-free, paid-up, revocable, perpetual license to use, copy, execute, reproduce, display, perform, disclose, distribute and prepare derivative works of the Customer Data for the purposes of (i) providing the Platform and Professional Services to Customer, and (ii) to improve and develop the Platform, Professional Services and Company's other products and services. Customer represents and warrants that it has all necessary rights, consents, approvals and authorizations to collect, process, disclose, license, use and give Company access to the Customer Data as contemplated by this Agreement.

4.3 Company shall own and retain all right, title and interest in and to (a) the Platform and Software, all improvements, enhancements, derivative works, or modifications thereto, (b) all Professional Services IP, (c) any data that is based on or derived from the Customer Data (including derivative works of the Customer Data), and (d) all intellectual property rights related to any of the foregoing (collectively, the "Company IP").

4.4 Notwithstanding anything to the contrary, the Company shall have the right to collect and analyze data and other information relating to the provision, use and performance of various aspects of the Platform and Professional Services rendered to Customer and related systems and technologies (including, Customer Data and data derived therefrom), and Company will be free (during and after the Term as applicable) to use and disclose such information and data (a) to improve and enhance the Platform, and (b) for other development, improvement, diagnostic and corrective purposes in connection with providing the Platform and other Company offerings to Customer and to third parties.

4.5 During the Term, Customer may provide Company with feedback concerning the Platform and/or Professional Services, or Customer may provide Company with other comments and suggestions for new products, features, or improvements (collectively, "Feedback"). Customer acknowledges that Company will own all right, title, and interest in and to the Feedback, and Customer hereby irrevocably transfers and assigns to Company all of its right, title and interest in such Feedback, including all intellectual property rights therein. At Company's request and expense, Customer agrees to execute documents or take such further actions as Company may reasonably request to help Company acquire, perfect, and maintain its rights in the Feedback. All Feedback provided by Customer to Company shall be provided on an "as is" basis with no warranty. For the sake of clarity, Customer is not obligated to provide Company with any Feedback under this Agreement.

5. PAYMENT OF FEES

5.1 Customer will pay Company the then applicable fees described in the Order Form(s) and SOW(s) for the Platform and Professional Services in accordance with the terms therein (the "Fees"). License Fees (as defined in the applicable Order Form) will be invoiced annually promptly following the start of the Initial Term (as defined in the applicable Order Form) and each annual anniversary thereof, and such invoices will be paid in accordance with Section 5.2 below. Unless an Order Form of SOW provides otherwise, any initial Implementation Fees, Training Fees and/or Integration Fees (collectively, "Professional Services Fees") specified in the Order Form or an SOW will be invoiced promptly following the Effective Date of the applicable Order Form and/or SOW and will be paid in accordance with Section 5.2 below. Any subsequent Professional Services Fees will be invoiced and paid in accordance with the applicable Order Form and/or SOW. If Customer's use of the Platform exceeds the Service Capacity set forth on the Order Form or otherwise requires the payment of additional fees (per the terms of this Agreement), Customer shall be billed for such usage and Customer agrees to pay the additional fees in the manner provided herein. Company reserves the right to change the Fees or applicable charges and to institute new charges and Fees at the end of the Initial Term (as defined in the applicable Order Form) or then current Renewal Term (as defined in the applicable Order Form), upon thirty (30) days prior notice to Customer (which may be sent by email), provided that such increases shall not exceed any limitations on increases specified in the Order Form. If Customer believes that Company has billed Customer incorrectly, Customer must contact Company no later than 60 days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Inquiries should be directed to Company's customer support department.

5.2 Full payment for invoices issued in any given month must be received by Company thirty (30) days after the mailing date of the invoice. Unpaid amounts are subject to a finance charge of 1.5% per month on any outstanding balance, or the maximum permitted by law, whichever is lower, plus all expenses of collection and may result in immediate termination of Service. Customer shall be responsible for all taxes associated with Platform other than U.S. taxes based on Company's net income.

6. TERM AND

TERMINATION

6.1 The term of this Agreement will begin on the Effective Date and, unless terminated earlier as provided herein, will continue in effect for so long as there is an Order Form or SOW outstanding (the "Term"). Each Order Form (including Customer's obligation to pay the applicable License Fees) will automatically renew as set forth therein. Neither SOWs nor those portions of Order Forms that Customer uses to order Professional Services will automatically renew.

6.2 In addition to any other remedies it may have, either party may also terminate this Agreement (or an Order Form or SOW) with written notice (or without notice in the case of nonpayment)

if the other party materially breaches any of the terms or conditions of this Agreement (or an Order Form or SOW) and does not cure such breach within thirty (30) days of receiving written notice of such breach from the other party. Customer will pay in full for the Platform up to and including the last day on which the Platform is provided.

6.3 Sections 4, 5, 6.3 and 7-9 will survive expiration or termination of this Agreement for any reason.

7. WARRANTY AND

DISCLAIMER

Company shall use reasonable efforts consistent with prevailing industry standards to maintain the Platform in a manner which minimizes errors and interruptions in the Platform and shall perform the Professional Services in a professional and workmanlike manner. The Platform may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Company or by third-party providers, or because of other causes beyond Company's reasonable control, but Company shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption. HOWEVER, COMPANY DOES NOT WARRANT THAT THE PLATFORM WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE PLATFORM. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE PLATFORM AND PROFESSIONAL SERVICES ARE PROVIDED "AS IS" AND COMPANY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

8. LIMITATION OF

LIABILITY

NOTWITHSTANDING ANYTHING TO THE CONTRARY, EXCEPT FOR BODILY INJURY OF A PERSON, COMPANY AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL EQUIPMENT AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY OR CORRUPTION OF DATA OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND COMPANY'S REASONABLE CONTROL; OR (D) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE

FEES PAID BY CUSTOMER TO COMPANY FOR THE PLATFORM UNDER THIS AGREEMENT IN THE 12 MONTHS PRIOR TO THE ACT THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

9. MISCELLANEOUS

If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable. This Agreement is not assignable, transferable or sublicensable by Customer except with Company's prior written consent. Company may transfer and assign any of its rights and obligations under this Agreement without consent. This Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both parties, except as otherwise provided herein. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Customer does not have any authority of any kind to bind Company in any respect whatsoever. In any action or proceeding to enforce rights under this Agreement, the prevailing party will be entitled to recover costs and attorneys' fees. All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by facsimile or e-mail; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested. This Agreement shall be governed by the laws of the state of **INSERT STATE** without regard to its conflict of laws provisions. Customer agrees to reasonably cooperate with Company to serve as a reference account upon request. Company shall have the right to display Customer's name and logo on Company's website(s). In the event of a conflict between this Agreement and any Order Form or SOW, the Order Form or SOW will supersede. There shall be no force or effect to any different terms of any related purchase order or similar form even if signed by the parties after the date hereof.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, authorized representatives of the undersigned have executed this Agreement effective as of the Effective Date.

Title:

US GOVERNMENT CUSTOMER RIDER

This Government Customer Rider ("Rider") is entered into by and between Vertosoft LLC ("Vertosoft") and Just Appraised Inc. ("Supplier"). This Rider is incorporated into the Supplier's commercial terms and conditions ("Supplier Terms") and applies specifically to transactions with Government Customers and Vendors.

The purpose of this Rider is to define terms and conditions specific to Government-related transactions and to ensure Supplier compliance with applicable federal, state, and local procurement laws. This Rider is not intended to modify the underlying distribution agreement between the above-mentioned parties.

1. Applicability and Precedence

In the event of a conflict between the Supplier's Commercial Terms and Conditions and applicable federal, state, or local procurement laws or regulations, the applicable laws or regulations shall prevail. Additionally, the terms of this Rider shall prevail over any conflicting provisions in the Supplier's Commercial Terms and Conditions to the extent necessary to ensure compliance with applicable laws and to reflect the requirements of Government Customers and Vendors.

2. Prohibition on Prepayment

Supplier acknowledges that Government Customers are prohibited from prepaying for goods or services pursuant to 31 U.S.C. § 3324. Accordingly, Supplier shall accept payment in arrears where required by law and shall invoice accordingly.

3. Auto-Renewal Limitation

Supplier agrees that no subscription, license, or service shall auto-renew with a Government Customer unless explicitly authorized in writing by the Government Customer.

4. Governing Law and Dispute Resolution

This Rider shall be governed by the laws of the Commonwealth of Virginia, without regard to its conflict of law provisions. However, any dispute arising out of a transaction with a Government Customer shall be interpreted in accordance with applicable federal or state procurement laws and regulations.

5. Indemnification

Government Customers shall not be required to indemnify Supplier. Supplier shall indemnify Vertosoft against any third-party claims arising from: (i) Supplier's breach of law, including violations of FAR/DFARS provisions, export/import control laws, or unauthorized disclosures of sensitive government data; and (ii) any misrepresentation of Supplier's regulatory compliance status.

6. Software License Rights

Products shall be treated as 'commercial computer software' under FAR 12.212 and DFARS 227.7202. Government Customer use shall be governed solely by the rights customarily provided to the public.

7. Termination for Convenience or Non-Appropriation

If a Government Customer terminates an Order for convenience or due to non-appropriation of funds, Vertosoft may cancel its corresponding order with Supplier without breach or penalty. Supplier shall provide reasonable assistance to support an orderly and timely cessation of affected services. This includes, but is not limited to, discontinuing billing for any unused services and ensuring Government Customer access through the remainder of the subscription term for which payment has already been made.

8. FOIA and Open Records Compliance

Supplier shall cooperate in the processing of any Freedom of Information Act (FOIA) or similar requests and acknowledge that confidentiality obligations shall not prevent Vertosoft from fulfilling such legal disclosures.

9. Export Control

Supplier shall comply with all applicable U.S. export control laws and regulations, including but not limited to the Export Administration Regulations (EAR) and the International Traffic in Arms Regulations (ITAR). Supplier shall promptly notify Vertosoft of any export restrictions applicable to its products or services, including restrictions on end users, destinations, or re-exports. Supplier shall assist Vertosoft in obtaining any required licenses or authorizations and shall indemnify Vertosoft against any claims, penalties, or liabilities arising from Supplier's noncompliance with such laws or from its acts or omissions in connection with export obligations.

10. Professional Services

Professional Services provided to Government Customers shall be delivered under a mutually agreed Statement of Work (SOW) where applicable. Travel must comply with Federal or Joint Travel Regulations.

11. FAR/DFARS Flow-Down Terms

Supplier agrees to accept mandatory FAR and DFARS flow-downs for subcontracts, including but not limited to termination rights, sourcing restrictions, and reporting obligations.

12. Data Security and Hosting

Supplier shall not use, share, or store Government Customer data outside of the scope expressly authorized in writing. Hosting environments must comply with applicable federal or state data protection laws.

13. Insurance Requirements

Supplier shall maintain sufficient insurance coverage to meet applicable government subcontractor standards, including but not limited to general liability, cyber risk, and professional liability coverage.

14. Representations and Certifications

Supplier agrees to complete and maintain all applicable federal compliance representations and certifications required for resale to Government Customers. These include, but are not limited to, certifications related to compliance with the Buy American Act, the Trade Agreements Act, and representations pursuant to FAR 52.225-2, FAR 52.225-4, and GSAR 552.204-70 (Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment).

15. No Privity of Contract

Supplier agrees that no contractual relationship shall exist between Supplier and any Government Customer. All payments from Government Customers shall be made directly to Vertosoft, and Supplier shall not invoice or collect

payment directly from Government Customers unless otherwise explicitly agreed upon in writing by the Government Customer, Supplier, and Vertosoft. Vertosoft shall remain responsible for remitting payment to Supplier in accordance with the distribution agreement between the parties.

IN WITNESS WHEREOF, the parties have caused this Rider to be executed by their authorized representatives.
